

Competitive Academic Admissions Standards*

The information below refers to the school-leaving examination scores that are considered competitive for entry to the specific programmes based on figures from the 2017 and 2018 intakes. For qualifications not listed in this table, you may refer to the qualification-specific admissions standards posted on our website. Students should also refer to the Programme Entrance Requirements for examination achievements in particular subjects that are required for consideration of your application for a specific programme.

Please note that admission decisions may also be made based on other factors, including interview performance, personal statements, references, other documents submitted to the University, as well as the availability of places in the programme.
