

### **Admissions Standards**

Admissions decisions to the University's undergraduate degree programmes are made based on academic performance as well as other factors, including interview performance, personal statement, references, other documents submitted to the University, etc. Candidates should take note of the standards laid out below and any Programme Entrance Requirements on the admissions website for examination achievements in particular subjects that are required for consideration to specific programmes. Attaining academic achievements better than the expected lower boundary stated is not a guarantee for admission to the University.

<b>Indian Board Exams (AISSCE or ISC)</b>
Candidates should present a minimum of 5 subjects in the Grade 12 Indian Board examinations.
Since the 2017 intake, the highest result attained by candidates admitted was an average of 99% from the best 5 subjects where the median score attained in that same year was 95%.

### **Expected Lower Boundary for Admissions**

The information below refers to the school-leaving examination scores that are considered competitive for entry to the specific programmes based on figures from 2017 intake onwards. For qualifications not listed in this table, reference information can be found on our website.

	<b>Indian Board Exams (AISSCE or ISC)</b>
