### Dual Degree and University Collaborative Programmes (separate application REQUIRED)

You are welcome to indicate your interest in applying to the following dual degree/university collaborative programmes. Each programme has a separate application and may also have additional entrance requirements. Indication of interest on this page is not automatically linked to a specific application process. Please review the available options for each programme carefully.
If you would like to apply for any Dual Degree or University Collaborative programmes, you should also indicate it on the form. However, please note that each of these programmes will have a separate application and may also have additional requirements and instructions, and as such you should refer to the details of the programme.

You can also indicate your interest in other special scholarships offered by the University. Please check your eligibility before applying and take note of any additional requirements or supporting documents that you should submit alongside your application.
You may inform the University of your personal achievement by providing information on your extra-curricular activities that best demonstrate each of the attributes listed. You may submit a maximum of 3 activities per attributes. For example, you may wish to inform the University about your participation in an international symposium, a national Olympiad competition, your community service projects, etc.

You may also elaborate on other activities on a CV and upload any relevant certificates after you have submitted your application.
You may nominate your counsellor to support your application to the University by providing predicted / anticipated result(s), transcripts, and reference documents.

You may also nominate up to 2 referees who may provide additional information to support your application to the University.

In the case that you are not able to find your counsellor under the “Counsellor” list, please provide your counsellors’ contact information as a referee and we will be in touch accordingly.

Reference

Referee’s / counsellor’s contact / invitation cannot be edited once you have submitted your application. You may nominate your counsellor to provide reference, transcript as well as any anticipated / predicted results to support your application. Please select your counsellor from the drop-down list. If your counsellor is not listed, please make sure you have selected your school under the “Academic Profile” tab first. You may nominate your counsellor as a “referee” if you still cannot find him/her in the list. If you were graduated from high school but wish to nominate your previous counsellor, please also nominate him/her as your “referee”.

You may also nominate up to 2 referees to support your application to the University. Please be sure to communicate first with referee(s) you will be nominating prior to submission of your application. An email will be sent to each referee seeking their confidential reference to support your application after your application has been submitted successfully.

To facilitate our evaluation, we recommend your counsellors and referees to complete their parts by **Nov 30, 2020**. If your counsellors or referees cannot make this deadline, or if your application is submitted at a later date, please also communicate with them so that they can support your application as soon as possible.
If you would like to grant your counsellor access to view your programme decision, please check this box.
