WHY BECOME A MENTEE
Individual or group gatherings with mentor. Even your mentor is not living close to you, make plan to visit him/her ... it could be a very rewarding experience.
Learn about the local culture, people and community
“The opportunity of spending a weekend with her in Stirling Castle and paying a home visit to her and other professors inspired me to a great extent. Professor Stewart not only shared interesting Scottish anecdotes, but provided profound insights related to my major as well as my career. The mentorship relationship played a memorable and important role during my exchange and equipped me with great caring and support.” Sikki Yan (BEcon&Fin Year 2)
Join HKU Overseas Alumni Chapters’ gatherings
“The programme is an important part of the exchange semester because it helps one to settle in a new environment, which may be completely different from that of Hong Kong. Nothing could be better than meeting someone who is already quite familiar with the new place.

Being a mentee gives one an opportunity to attend alumni dinners, which again are golden opportunities to meet with alumni and get to know about their academic and career journeys, which might be very interesting and helpful.”
Sheheryar Muhammad Naveed, BEng(CompSc) Yr 2
Be invited to family gatherings
HKU Mentorship (Overseas)

Objectives:

- To create supportive relationships between mentors and mentees;
- To assist mentees on exchange to adapt in a new environment;
- To guide a mentee’s personal development; and
- To help mentor stay connected with HKU and Hong Kong.

Who can be Overseas Mentors?

Invited HKU alumni who have been living in the host country for at least 3 years; or mature individuals recommended by HKU alumni. Mentors are not available in all exchange destinations, and the availability of mentors may differ every semester. Students can contact the Mentorship Programme Facilitator for information.
