Introduction of HKU Summer Institute

HKU Summer Institute was established in 2015, aiming to bring students learning beyond four walls. We offer a variety of inspiring and interactive programmes for students to identify their passion in various fields, acquire more in-depth knowledge of their subjects of interest and have a taste of HKU university life in the summer. It is the best platform to take up intellectual challenges and make new friends from different cultures.

WHY SUMMER AT HKU?
- Good Reputation
- Programme Variety
- Outside Classroom Activities
- Diverse Student Body
- Location
HKU Crimson Summer Exchange 2019

Shanghai Programme: July 10 - 19
Hong Kong Programme: July 22 - August 2
(Age: 13 - 16)

Coming to its 16th year, HKU Crimson Summer Exchange (HKU CSE) continues to invite students to spend an inspiring summer with a group of native English-speaking teaching fellows from Harvard, MIT, Yale, Cambridge, Oxford and other Ivy League universities. HKU CSE offers an excellent cultural exchange platform for students and fellows from across the globe to interact with and to learn from each other.

Throughout the programme, students will undertake lessons delivered and developed by fellows who are expert scholars in their fields, as well as learn from their professional and life experiences. Students and fellows will also visit attractions in Hong Kong, Shanghai or Wuxi for cultural and intellectual exchange.

Why HKU CSE?
• Interact with native English speakers from top universities in the world and learn from fellows of various backgrounds and professions
• Share insights with fellows and learn to think like a global citizen
• Have a taste of HKU student life, academically and socially
• Appreciate diversity in cultures and discover ways to create positive impact to society

Young Medical and Healthcare Professional Summer Programme

July 15 - 21 (Level: S4 - S5)

This 7-day programme aims at enhancing students’ understanding of multiple healthcare professions, including Medicine, Dentistry, Pharmacy and Health Sciences. Through lectures, interactive workshops, laboratory sessions and group discussions, students will have a chance to explore global health issues from perspectives of different specialties. With the hands-on approach and the variety of experiential activities, students will gain a better insight into their career prospect.
We look forward to welcoming you at HKU in the coming summer!
