About HKU

Asia’s Global University

The University of Hong Kong, as an English-medium, research-led, comprehensive university (the only one in China), provides world-class, campus-based education in a wide range of academic disciplines to outstanding students. The University is situated in a geographically and culturally unique part of China and has historically sat at the gateway between East and West, pursuing teaching and research which enhance the understanding of Asia in a comparative way.

Motto: Sapientia et Virtus

Ever since the early 20th century, the British in Hong Kong saw university education as a vehicle for promoting Western technology and values in the region. The University of Hong Kong stems from the British tradition of academia and prestige and, over the past 100 years, has developed and grown into a university with a deep-rooted tradition, history and core academic values with an international outlook. These values are all in fact the intertwined within the city of Hong Kong itself, bringing HKU into the 21st century as a world leader.
Weather in Hong Kong

Hot, humid and rainy
Hong Kong’s climate is sub-tropical with distinct seasons. June to August are summer and typhoon season: hot, humid and sunny, with occasional showers and thunderstorms. The average temperature ranges from 26°C to 33°C (78.8°F to 87.8°F). Temperature can exceed 33°C and high humidity levels can make it feel even hotter.

However, you are recommended to bring a light windbreaker or cardigan with you as indoor air-conditioned temperature is around 20°C.

For detailed weather updates, please visit http://www.hko.gov.hk/

| If either of the warnings is hoisted or in force AT or AFTER 3:00 pm, | All evening classes and examinations commencing FROM 6:00 pm onward will be CANCELLED automatically. |

B. For classes and examinations already started

| When Black Rainstorm Warning Signal is hoisted |

| - For outdoor classes and examinations, the responsible staff members on the spot should suspend the activities immediately, ensure that all students are taken to a safe place, and remain there until it is safe for them to return home. |

When Tropical Storm Warning Signal No. 3 or Red Rainstorm Warning Signal is in force, it should be assumed that all classes and examinations would be held as scheduled unless an announcement to the contrary has been made by the University.
**Visa**

Students should have received a student visa label issued by Hong Kong Immigration Department before travelling to Hong Kong.

- Overseas and Taiwan students should affix the Visa Label on the passport before landing to Hong Kong.

- Mainland students should bring along the “Exit-entry Permit for Travelling to and from Hong Kong and Macao” (EEP) attached with the Exit Endorsement, as well as the Visa Label to enter Hong Kong directly from the Mainland for activation of his/her student visa.

- Macao students should affix the Visa Label on the "Visit Permit for Residents of Macao SAR to Hong Kong SAR" (Visit Permit) before landing to Hong Kong.

A landing slip will then be issued to you (below is a sample). Your student visa is deemed as valid upon receiving the landing slip together with visa/entry permit label. Do not lose them throughout your stay in Hong Kong.
Finance

It is recommended to prepare the budget for other academic expenses as well as your daily living in Hong Kong. However, do not carry too much cash with you at any time. For more information about the cost of living in Hong Kong, please visit http://www.studyinhongkong.edu.hk/en/live-in-hong-kong/cost-of-living.php

If you wish to withdraw cash, you may use the ATMs at the airport, on campus and at many convenient locations throughout the city. Please note that service charges may be incurred if you withdraw cash from the ATMs in Hong Kong.

HKU Visitor Centre for Souvenirs

The University of Hong Kong Visitor Centre is housed in the Workmen’s Quarters of the former Elliot Pumping Station and Filters site of the Water Supplies Department. This red brick rectangular building is one of the two historic buildings marking the entrance of the HKU Centennial Campus.

Constructed in 1918-19, the Workmen Quarters is a single storey brick communal residence with three rooms which housed Chinese workers and watchmen. The building is a representative example of the basic accommodation provided for Chinese workmen’s on Government works sites. The architectural qualities and scale of this building are simple in nature. It is essentially intact both externally and internally. The Workmen's Quarters Building has been classified as a Grade III historic building and revitalized to become the HKU Visitor Centre.

Special Notice on recent political movements in Hong Kong

You might have heard from the news about Hong Kong’s recent demonstration in opposition to the proposed extradition bill by the government.

Understanding that some of you would like to know more about the current situation, we are writing to inform you about our Summer Institute measures to these events.

Daily life continues as normal and all public services, schools, companies, shops, restaurants, museums, etc. are open, and all our summer programmes will also launch as scheduled.

Our university campus, located some 30km from the city centre, remains very safe and calm. University summer programmes and activities will continue as normal; classes and events will take place as scheduled as well.

Please be rest assured that the security of our students has always been our paramount consideration, and our University safety and security department is vigilant of the current situation.

Hong Kong is one of the safest international cities in the world. Despite the recent crisis, the city remains safe. Students are advised to avoid areas of conflict and to remain on campus if there are any concerns.

Upon your arrival, you should attend our Summer Institute welcoming session where information of the city and university is disseminated. You will also receive a facility access card where emergency contacts are available.

We very much look forward to receiving you soon!
