THE UNIVERSITY OF HONG KONG
Master of Science in Urban Planning

1. Applications are invited for admission in September 2016 to read for the degree of Master of Science in Urban Planning.

2. To be eligible for admission to the programmes, a candidate shall satisfy both the University Admission Requirements and the Programme Specific Requirements:

   (a) shall comply with the General Regulations;
   (b) shall hold a Bachelor’s degree with Second Class honours or above of this University or a qualification of equivalent standard from another comparable institution accepted for this purpose;
   (c) for a candidate who is seeking admission on the basis of a qualification from a university or comparable institution outside Hong Kong of which the language of teaching and/or examination is not English, shall satisfy the University English language requirement applicable to high degrees as prescribed under General Regulation G2(b),
   (d) shall satisfy the examiners in a qualifying examination if required.

An application for exemption from the above requirements shall be considered on a case by case basis.

3. The curriculum extends over two years of full-time study. The programme is fully recognised for membership purposes by the Hong Kong Institute of Planners, the Royal Town Planning Institute of the United Kingdom. Students specialised in transport planning are also recognized by the Hong Kong Chartered Institute of Logistics and Transport. Graduates who have completed additional credits in surveying meet the academic requirements for admission to the Assessment of Professional Competence (APC) scheme of the Planning and Development Division of the Hong Kong Institute of Surveyors (HKIS) for professional membership via the non-cognate but relevant graduate degree route.

4. The programme consists of two major components: a spatial planning component with core courses and studios in spatial, territorial and community planning practice; and a specialist planning component which allows students to develop an area of specialism in planning through the completion of optional courses and a dissertation that is directly related to the chosen area of specialisation. The Department also organizes field trips as part of the programme. Please visit the Department’s website at www.arch.hku.hk/upad for further information.

5. Applications for a taught postgraduate programme can be downloaded and submitted via our on-line application system at http://www.als.hku.hk/admission/tpg.

6. The University Grants Committee (UGC) has ruled that non-local students admitted to UGC-funded UG and TPG programmes will be charged a higher than standard tuition fee. According to the UGC’s definition, non-local students are “person entering Hong Kong for the purpose of education with a student visa/entry permit issued by the Director of Immigration”. For the 2016-17 intake, non-local students admitted to the MSc(Urban Planning) full-time programme will be charged HK$146,000* per annum.

7. The closing date for application is 2 January 2016.

8. Successful applicants will be notified before June 2016. If you do not receive any notification by the end of June 2016, please call 2859 2721 to enquire about the status of your application.

* The tuition fee may be changed and subject to final approval by the University November 2015

1 The programme’s curriculum, regulations and syllabuses are subject to the Senate’s approval.
THE UNIVERSITY OF HONG KONG
Master of Science in Urban Planning

FREQUENTLY ASKED QUESTIONS

The following are some frequently asked questions raised by potential applicants.

What are the admission requirements?
• A Bachelor’s degree with second class honours or above of The University of Hong Kong; or, an equivalent qualification from another university or comparable institution.
• As urban planning is a multi-disciplinary subject, we encourage applications from graduates in different fields of study.
• All ADB applicants and applicants who do not hold a degree from an institution using English as the language of instruction and/or examination are required to obtain a score of 550 or above (paper-based test) or 80 or above (internet-based test) in the Test of English as a Foreign Language (TOEFL). Those taking the International English Language Testing System (IELTS) should have a minimum overall band of 6 with no subtest lower than 5.5.

Who is eligible to apply for an Asian Development Bank scholarship?
• For details, please refer to ADB website at http://www.adb.org/site/careers/japan-scholarship-program/main.

Who can be nominated as professional referees?
• Friends and relatives’ reference letters will not be considered.
• A professional referee should be the applicant’s colleague who is in a senior position, and can comment on the applicant's professional ability.
• This senior person does not need to be in the field of planning.

Is it necessary for overseas students to attend an interview?
• Telephone or SKYPE interviews will be conducted with overseas applicants.

Are there field trips?
• Field trips are compulsory and will be organized by the Department and on demand by students.

How can graduates become urban planners?
• Upon completion of the M.Sc. (Urban Planning), graduates satisfy the academic qualifications of the various accreditation institutions.
• A graduate needs at least two years of relevant working experience in the planning field before he/she is eligible to apply for full membership of the professional institutes.
• Interested applicants can join the Department’s Admissions Talk to be held on 28 November 2015 (Saturday) at 10:00 am in Room 8-20, 8/F, Knowles Building, The University of Hong Kong. Details will be released closer to the date of the event.
