To the referee: The applicant has given us your name as someone who would be prepared to write a reference in connection with his/her application for admission to the Master of Science (MSc) in the field of Food Industry: Management and Marketing. The Admissions Committee would be most grateful if you would complete the information below, and state overleaf your views of the applicant’s capabilities for undertaking this degree. Please accept our thanks in advance. The applications will be considered immediately until end of June. To ensure that the application can be given due consideration, it would be appreciated to receive an early response of your reference and not later than June 30, 2020. Under the provisions of the Personal Data (Privacy) Ordinance, applicants have the rights to request access to their personal data, including referee reports.

The following background about the programme might be helpful to you: It is a two-year, part-time, interdisciplinary postgraduate degree. Students with biological science background preferably in food and nutritional sciences are accepted. It is a small programme (about 20-25 students each year) and students are expected to participate in class discussion. The programme involves a considerable commitment of time, as students usually have to attend courses on weekday evenings, and on Saturday afternoons. Written work contributes an important part of the programme, including possibly a project of approximately 10,000 words. (All written and verbal communication is in English).
